

ABBOSKHOJA AKBARKHOJAYEV

Fergana, Uzbekistan | +998 90 845 08 04 | github.com/akbarkhojayev | t.me/akbarkhojayev

PROFESSIONAL SUMMARY

Backend Developer with 1+ year of experience designing and building scalable RESTful APIs using Python, Django, and Django REST Framework. Delivered production-level systems including a movie streaming platform and a gamified learning management system with multi-role access control. Experienced in mentoring junior developers, PostgreSQL database design, JWT authentication, and Docker-based deployment.

WORK EXPERIENCE

Codial IT Academy — Fergana, Uzbekistan

Apr 2025 – Present

Mentor & Backend Developer

- Mentored 15+ junior developers in Python, Django, and DRF through structured code reviews and 1-on-1 sessions
- Designed and delivered backend curriculum covering REST API design, ORM patterns, authentication, and deployment
- Built and maintained internal tools and demo projects used as learning resources across all student cohorts
- Guided students through full project delivery cycles — from database design to API documentation with Postman

PROJECTS

Aniki.uz — Movie Streaming Platform

2025

Django · DRF · PostgreSQL · JWT Authentication

- Developed a full-featured movie streaming backend with content catalog, categories, search, and media file delivery
- Implemented JWT-based authentication, watchlist management, and per-user viewing history tracking
- Designed and optimized database schema for large-scale media metadata with filtering and pagination APIs

Codial Gamification — LMS & Reward System

2025

Django · DRF · PostgreSQL · Docker · REST API

- Architected a 4-role platform (Owner, Admin, Mentor, Student) with fine-grained permission control per role
- Built a coin reward engine where students earn coins for completing lessons, passing tests, and daily activity streaks
- Developed leaderboard, student ranking, and progress tracking APIs consumed by the frontend dashboard
- Implemented course, lesson, and group management with mentor-to-student assignment and attendance tracking

TECHNICAL SKILLS

Languages: Python, HTML, CSS

Frameworks: Django, Django REST Framework (DRF), Aiogram (Telegram Bots)

Databases: PostgreSQL, MySQL

DevOps & Tools: Docker, Git, GitHub, Postman, Linux CLI

Auth & API: JWT, RESTful API Design, OAuth2

EDUCATION

Fergana State Technical University

Sep 2022 – Jul 2026

B.Sc. Computer Engineering | GPA: 4.1 / 5.0

Fergana, Uzbekistan

Codial Academy

Sep 2024 – Apr 2025

Backend Developer Bootcamp — Python, Django, DRF | Certificate

Fergana, Uzbekistan

LANGUAGES

Uzbek — Native

Russian — Elementary

English — Pre-Intermediate (B1)
